ENVIRONMENTAL, SOCIAL AND GOVERNANCE POLICY

1. PREAMBLE

- 1.1 Vivriti Capital Private Limited (VCPL) ('the Company') is private limited company registered under Companies Act, 2013. VCPL is also registered with the Reserve Bank of India as a Non-Deposit taking Systemically Important Non-Banking Finance Company (NBFCs-ND-SI) and its debt securities are listed with Bombay Stock Exchange.
- 1.2 Vivriti Asset Management Private Limited ("VAM"), a subsidiary of VCPL, is an investment manager to fixed-income Alternative Investment Funds registered with Securities and Exchange Board of India (both VCPL & VAM hereinafter together shall be referred as "Vivriti").
- 1.3 Vivriti is cognizant of environmental and social risks in lending and investing and hence has adopted the ESG Policy in its journey towards its commitment on attaining sustainability. The ESG philosophy aligns with Vivriti's core business strategy. The policy is built around the three pillars of ESG, outlining its purpose and Vivriti's responsibility to the environment, its customers, employees, and the community at large.
- 1.4 Unless otherwise defined, capitalised terms have the meanings given to them in the "legend" provided at the end of this document.

2. OBJECTIVES

- 2.1 To approve a framework for the environment, social and governance ("ESG") practice.
- 2.2 To integrate the ESG framework in the existing overall risk assessment.
- 2.3 To study, measure and monitor the impact on the performance of the investment.
- 2.4 To identify opportunities to promote environmental sustainability and equitable growth through our products.
- 2.5 To provide ESG disclosures to effectively demonstrate our ESG commitment to our stakeholders.

3. PRINCIPLES

- 3.1 Vivriti will conduct its business and operations in compliance with all environmental, social and labour laws (local and central), including those relating to human trafficking and child labour.
- 3.2 Vivriti will conduct a ESG diligence on its prospective and existing clients as mentioned in paragraph 8.1 and 8.2 of this Policy. An indicative list of the criteria to conduct the ESG diligence is provided in Annexure I. The list will be updated from time to time based on guidance provided by the Board and Vivriti's senior management.
- 3.3 Vivriti shall adhere to all the policies of the Government of India or any department thereof concerning any environmental, social or labour related issues applicable to Vivriti. Vivriti shall also require its clients to adhere to these policies to the extent applicable.

4. VIVRITI'S DO NO HARM STATEMENT

Vivriti is a socially and environmentally responsible organisation, encapsulating the principles of 'Do No Harm'. We ensure compliance with applicable environmental and labour laws, standards and regulations for our business, and that of our clients through our enhanced evaluation and due diligence process. Our stringent exclusion list reflects our commitment to ethical transactions, strictly prohibiting activities that have adverse impacts of the society, communities, and the environment.

5. VIVRITI'S ROLES AND RESPONSIBILITIES

5.1 Towards Environment

Vivriti shall conduct its business and operations in compliance with applicable environmental, health and safety laws or policy issued by Government of India or any department thereof.

- Developing financial solutions that generate other positive environmental impacts
- Minimizing the environmental impacts of our physical operations
- Partnering with organizations to advance sustainable development

5.2 Towards social, labor and working conditions

Vivriti is committed to conduct its business and operations in compliance with applicable social and labor laws and policies issued by Government of India or any department thereof.

- Developing financial solutions that improve quality of life and generate other positive social impacts
- Expanding economic opportunity in the communities where we do business
- Investing in our human capital
- Promoting diversity, equity and inclusion
- Strengthening consumers' financial health
- Addressing human rights-related risks

5.3 Towards Governance

Vivriti is committed to sound governance, a system of checks and balances and the highest standards of integrity with the following aspects:

- Cultivating a strong risk and control environment
- Fostering a culture of transparency and ethical behavior
- Maintaining effective Board leadership and management processes
- Safeguarding privacy and cybersecurity

5.3.1 Management

- (a) Vivriti is governed by its Board of Directors with the day-to-day management carried out by each of the departmental head;
- (b) Vivriti shall have adequate number of Independent Directors on its Board as may be required under the Companies Act, 2013;

5.3.2 Policies

Vivriti integrates its policies (mentioned below) in its day-to-day operations and updates the same progressively and iteratively to incorporate the best practices.

- Business Continuity, Conflict of Interest, Cyber Security, Code of Conduct (Employee and Supplier), anti- money laundering, Anti-bribery and anti-corruption, Corporate Social Responsibility, Grievance Redressal (Employee and Customer), Human Rights Policy, POSH, Health and Safety Policy, Diversity and Inclusion Policy.

6. RISK CATEGORISATION

6.1 Based on the Sourcing checklist as mentioned in Annexure I, a prospective client will be assessed by the Business team to evaluate the first level of risks associated with the transaction and/or client.

6.2 The risks will be categorized based on the below criteria –

Score	Grading Scale	Significance
0-20	Vivriti SA1	A company that is drastically impacted by sustainability risks
21-40	Vivriti SA2	A company with poor track record of sustainability risk management and absence of a risk management framework
41-60	Vivriti SA3	A Company with a mixed track record of sustainability risk management and no evidence of a robust framework
61-80	Vivriti SA4	A Company with a good track record of sustainability risk management, but no evidence of a robust framework
81-100	Vivriti SA5	A sustainability leader with a positive track record of managing material risks

7. EXCLUSION LIST

Vivriti will not enter into arrangements/transactions with any institutions or persons that are engaged in any of the activities set out in Annexure III of this policy ("**Prohibited Activities**").

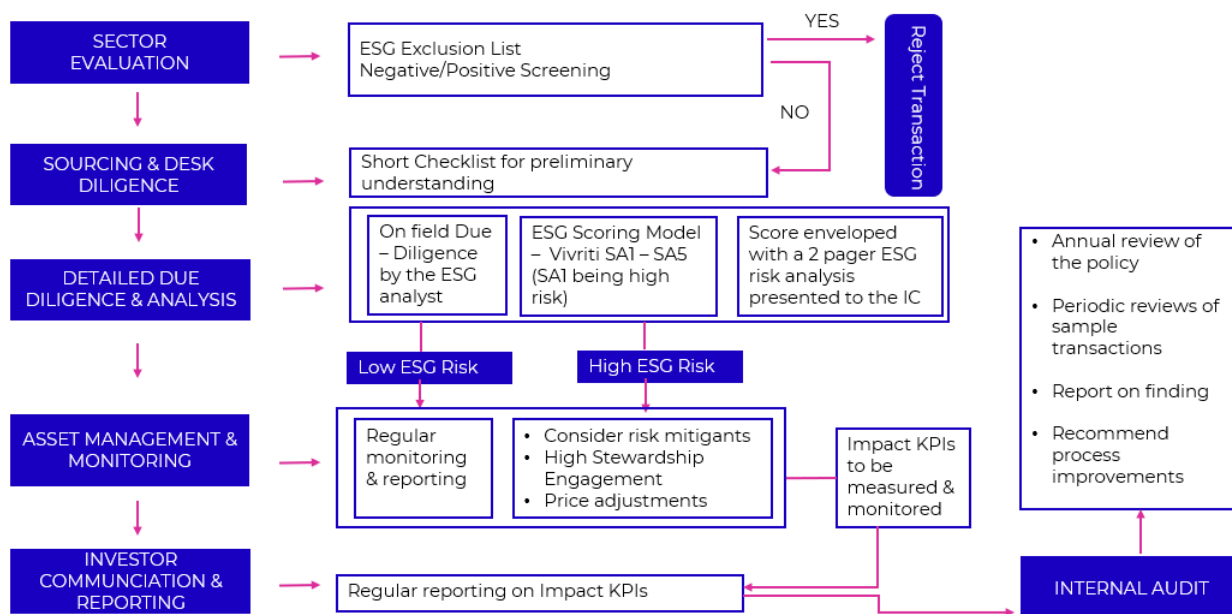

8. CLIENT SCREENING /DILIGENCE

8.1 ESG risk assessment

- The Credit Teams and / or the ESG analyst will conduct a preliminary diligence of prospective and existing enterprise borrower of VCPL / VAM.
- In case of a new enterprise borrower to which VCPL / VAM proposes to lend any money or on-balance sheet financing, the client's ESG risk/ opportunity is assessed on the Vivriti Sustainability Assessment model. The model scores the company across the three parameters – environment, social and governance on a 5-pointer scale. The Score enveloped with a detailed report is then placed before the ESG Risk Assessment Committee .

8.2 ESG Risk Integration

Vivriti integrates ESG risks into its credit risk assessment process by establishing a comprehensive framework to identify, evaluate, monitor and manage these risks. The policy establishes a risk-based approach where transactions/clients that carry high ESG risks are subject to enhanced evaluation and due diligence and approval through a specialised team of internal ESG risk assessment experts.

9. PERIODIC ASSESSMENT

- (a) The Sustainability & Impact Team, working with the Credit Teams, shall conduct a periodic ESG risk assessment on the enterprise borrower (in which Vivriti has lent money or has on-balance sheet financing) on a yearly basis on the basis of checklist as provided in Annexure I.
- (b) For enterprise borrower in which Vivriti has on-balancing exposure, the Sustainability & Impact Team, working with the Credit Teams, will also conduct site visits on the occurrence of any trigger events specified in Annexure IV.
- (c) Any non-compliance identified during the periodic assessment/diligence will be reported to the ESG Risk Assessment Committee, who will decide on any further action to be taken.

10. GOVERNANCE MATRIX

ESG Risk Assessment Committee – The committee will comprise of Managing Director, the Chief Credit Officer and the Chief Risk Officer. The Committee will meet periodically to evaluate ESG risks of its borrowers, assign final scores, and discuss all ESG matters.

The Committee will also oversee and manage the environmental, social and management risks within Vivriti's lending portfolio and, by doing so, help implement the ESG Policy.

11. DOCUMENTATION

- (a) All on-balance sheet financing documentation must contain such environmental, social and labour standards related covenants as may be prescribed by the Committee.
- (b) All on-balance sheet financing documentation entered into by Vivriti must contain representations and covenants from the client in relation to compliance with all applicable laws (including all, local and central, environment, social and labour laws).
- (c) Any failure of the client to perform such covenant or representation should be classified as an event of default under the on-balance sheet financing documentation entered into with the client.

12. TRAINING OF DESIGNATED PERSONNEL

All Designated Personnel - Sustainability & Impact Team, Credit Teams, Investment Management Team and all members of the ESG Risk Assessment Committee concerned with this policy - will keep themselves updated with all ESG related developments. Periodic training and updates on ESG will be provided to all verticals at Vivriti by the Sustainability & Impact Team.

13. REPORTING

Vivriti will publish its Sustainability Report following the Global Reporting Initiative (GRI) standards. The report will cover the three pillars E, S and G along with its impact story every financial year. We will continue to disclose our ESG information in relevant ESG forums to demonstrate our commitment to stakeholders.

14. APPLICATION TO EXISTING CLIENT

Vivriti will endeavor to ensure compliance of its existing clients with this policy, by obtaining appropriate declaration/representation from client in relation to compliance of applicable environment and labour laws and other applicable laws, to the extent data can be retrieved from existing clients.
